

Svantek SV106 Human Vibration Meter

These are the items included in your rental kit for a Svantek SV106 human vibration meter and analyzer.

When you unpack the instrument, please try turning it on. If nothing happens, or a kit component is missing, please call 866-736-8347 immediately, so we can correct the issue.

Additional parts with add on cost (required for testing, available upon request)

Not Shown: Shoulder Strap, Carrying Case
